## Grasshoppers Are On The Move

*...just a short hop across the road!*

Founded in 1950 Grasshoppers Rugby Club have been happily and successfully based in Isleworth at Macfarlane Lane for the past 31 years. As part of the Hounslow Schools Programme we are now being relocated nearby to enable the development of new schools within the borough.

The new state of the art facility features a floodlit 3G rugby pitch, 2 grass pitches, a Multi - Use games area including 3 netball courts, a gym, and a fabulous 2 tier clubhouse.

It will undoubtedly be a leading inclusive sports and social club delivering first class facilities for rugby and netball for all ages and providing a fun social hub in the heart of the community.

### All Are Very Welcome

To see how you could become a member or plan a visit please see overleaf.

## Be A Part Of It

The superb new facility offers you a number of opportunities including:

### Rugby

Grasshoppers offer rugby for everyone no matter what your ability or skill level. There are 3 Senior sides, a Veterans, and 2 Women's squads. Mini and Junior rugby have teams at every age level from 6 – 18 years old. We are keen to grow participation for rugby at all levels and all age groups.

### Netball

Established fully in 1990 our netball section has grown from strength to strength and is now one of the premier clubs in the county. There are 4 senior squads, 3 juniors (under 12's to under 15's) and a High Five section (for girls in school years 5 and 6). Play competitively, for fitness, or simply fun.

### Social

The new clubhouse will feature 2 bars, SKY Sports TV and benefits from a large outdoor south west facing terrace. There will be a fully functional kitchen and the venue will be an ideal location for private parties and functions. New social memberships are now available and Grasshoppers are inviting residents to view the outstanding venue and see how to get real value from this brand new facility.
